

the pool

Just off the relaxing patio area, a great place to sit on warm evenings watching the sunset, is the swimming pool. This gorgeous 12 x 4 metre pool is heated so that it can be enjoyed equally comfortably on hot days as well as those balmy evenings and not-so-hot days. It overlooks the garden and the view of the wetlands and the mountains all-round is breathtaking.

guest lodge

At Sundollar you will find six lock-up-and-go suites with en-suite bathrooms all equipped with a bar fridge, television and facilities for tea and coffee.

Every morning, a hearty breakfast is served outside, or in the cosy diningroom. The guest diningroom/lounge area overlooks an acre of lush garden, the pool, and of course, the unspoilt Noordhoek wetlands. The self-catering unit can sleep six people and has two bathrooms.

The setting is perfect with its awesome wetland and mountain views. The Noordhoek valley remains one of Cape Town's treasured destinations with its delightful village atmosphere, its famous 7km beach well known as a wonderful place for horse-riding, and its vast wetlands teeming with wildlife.

The area has a nice choice of restaurants and comfortable pubs and Longbeach Mall is not far with a wide variety of shops, restaurants, and movies. If you love the sea, there are many different beaches to explore, especially the not-to-be-missed Boulders Beach where you can swim with the penguins.

dinner parties

Sylvia is a cook of note, and private dinner parties can be arranged on request for up to 20 guests. If you want to treat your friends to an intimate dinner party, have a wedding anniversary to celebrate, or simply wish to enjoy a relaxed evening with special friends during your stay, Sylvia can discuss the varied menu options with you.

You may bring your wine of choice to compliment the excellent five-course meal which will be served. If you are going exploring, a picnic lunch can be arranged on request. Babysitting is available for those times you may wish to go out to a movie, or just enjoy some quality 'couple time'.

Why not treat yourself and a few friends to the ultimate weekend away - a fun-filled creative workshop. You will leave relaxed and rested, with the added benefit of having mastered a craft! From jewellery-making to beading, ceramics and mosaic, you are certain to find something that interests you. Your workshop of choice will begin after breakfast on Saturday, you will break for a delicious lunch, and are free to explore the surrounding area from 3:30pm onwards. We finally say goodbye after breakfast on Sunday morning. Contact Sylvia for further details.
