

Golf Tourism and Wine Tourism are surely two of the Cape's most important niche markets.

These two guides provide both the local and overseas tourists with essential information for visitors to our wonderful province. Both photographically splendid, with brief descriptive copy, the guides are both a powerful pre-planning tool and a memorable post visit souvenir.

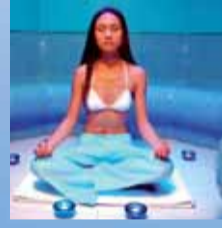

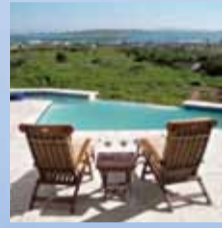

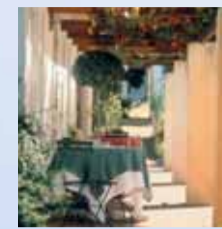

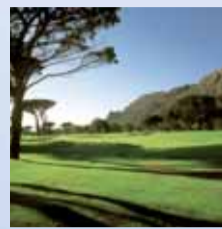

The marvel for us has been in the market research; we have wonderful scenery, remarkable venues, great golf courses, great wine estates and superb wines. Add to these the friendly service and super of all the indispensable gracious welcome we found everywhere. These guides are to ensure many more find the magic available in this the most beautiful part of our wonderful land.
