Great Karoo - The Best Mineral Water in SA?

Great Karoo is the original Karoo mineral water and is sourced and bottled at Noblesfontein farm in the Great Karoo region.

If the measure of quality for a bottled mineral water lies in its mineral content, then "Great Karoo" is by far the best, and naturally contains more minerals than any other mineral water bottled in SA.

Amongst a range of other minerals, Great Karoo naturally contains 79.5 mg/l of Calcium and 28 mg/l Magnesium and boasts an overall TDS (Total Dissolvable Solids) of 442.

So, if you are looking for a quality mineral water, with a distinctive, refreshing taste then Great Karoo is the best choice you can make.

NATURALLY RICH IN CALCIUM AND MAGNESIUM
